Dedication

I am Flintridge. Many years of labor and of thought have gone into the development of my personality. I am now an excellent college preparatory school with high academic standards and a good athletic program. I feel indebted to the people who are and have been connected with me; therefore, this 1961 **Log** is dedicated to my administrators, teachers, leaders, employees, students, parents, and friends, all of whom have helped me to become the fine school that I am.

Foreword

Since the day in 1933 that I, Flintridge Preparatory School for Boys, was founded, I have been shaped by many events, traditions, and people. All of these things have changed my outside appearance, but none of these things has changed the ideal that is within me. It is the hope of the **Log** staff of 1961 that they have shown me as I was this year, and that they have brought out, in the following pages, the ideal that I am.

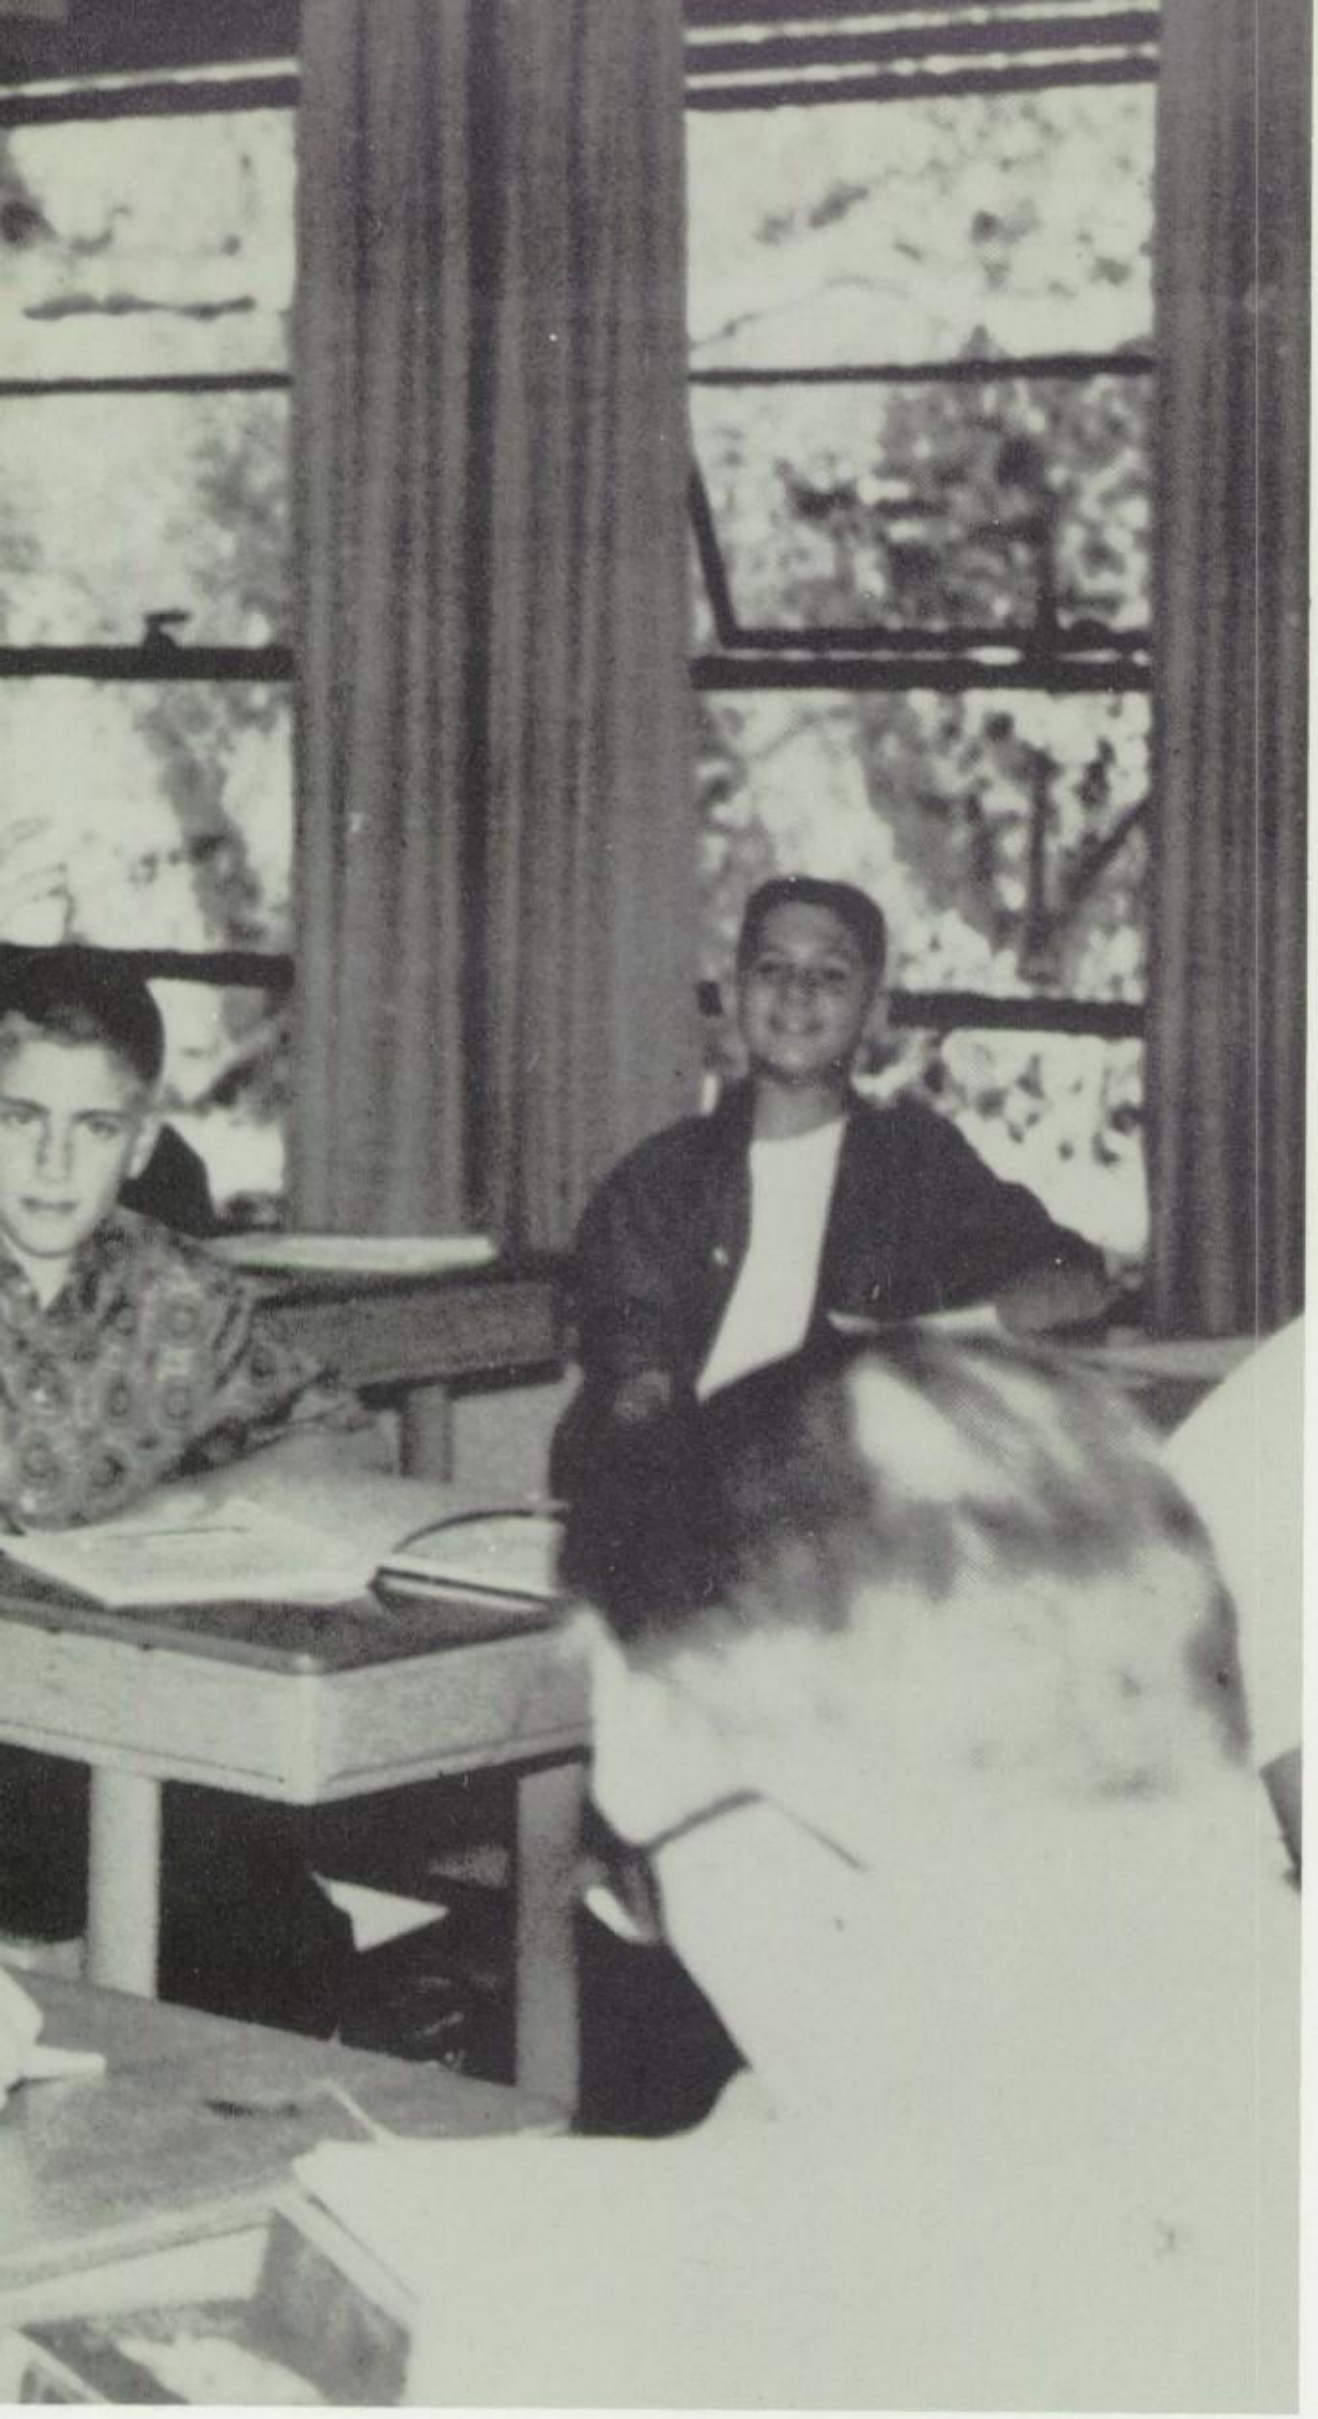
I am a Teacher . . .



I am a teacher. The purpose of my presence at Flintridge is to uphold the high academic standards of the school and to prepare my students for college by increasing their knowledge. But my duties go beyond this, for I must also be a disciplinarian in time of trouble, an advisor in time of need, and a friend in time of recreation. I am devoted to my students and to my work, and my fondest wish is that I will be able to help my students lead successful lives, now and in the future. Although my duty is great, I don't mind because I love this job. Now, go do your homework.

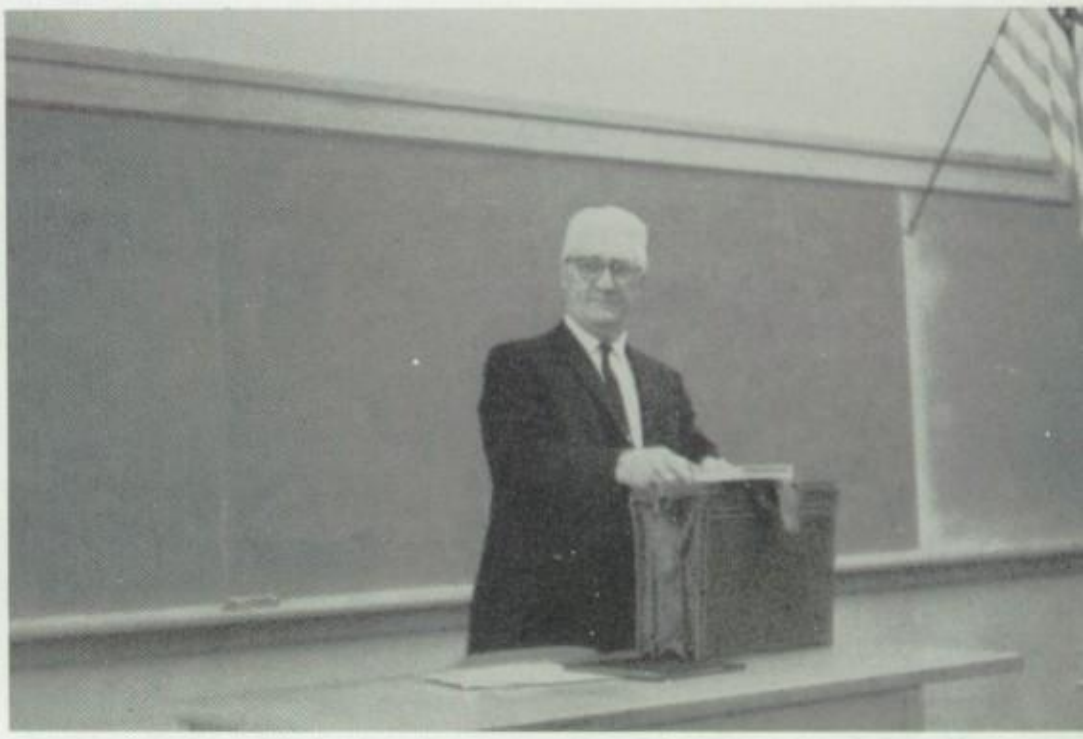
Let us pray.

I never carry more than $50 when I travel.

We found it, Long John!



Be quiet or I'll let it out!

Which way to the Holy Land?

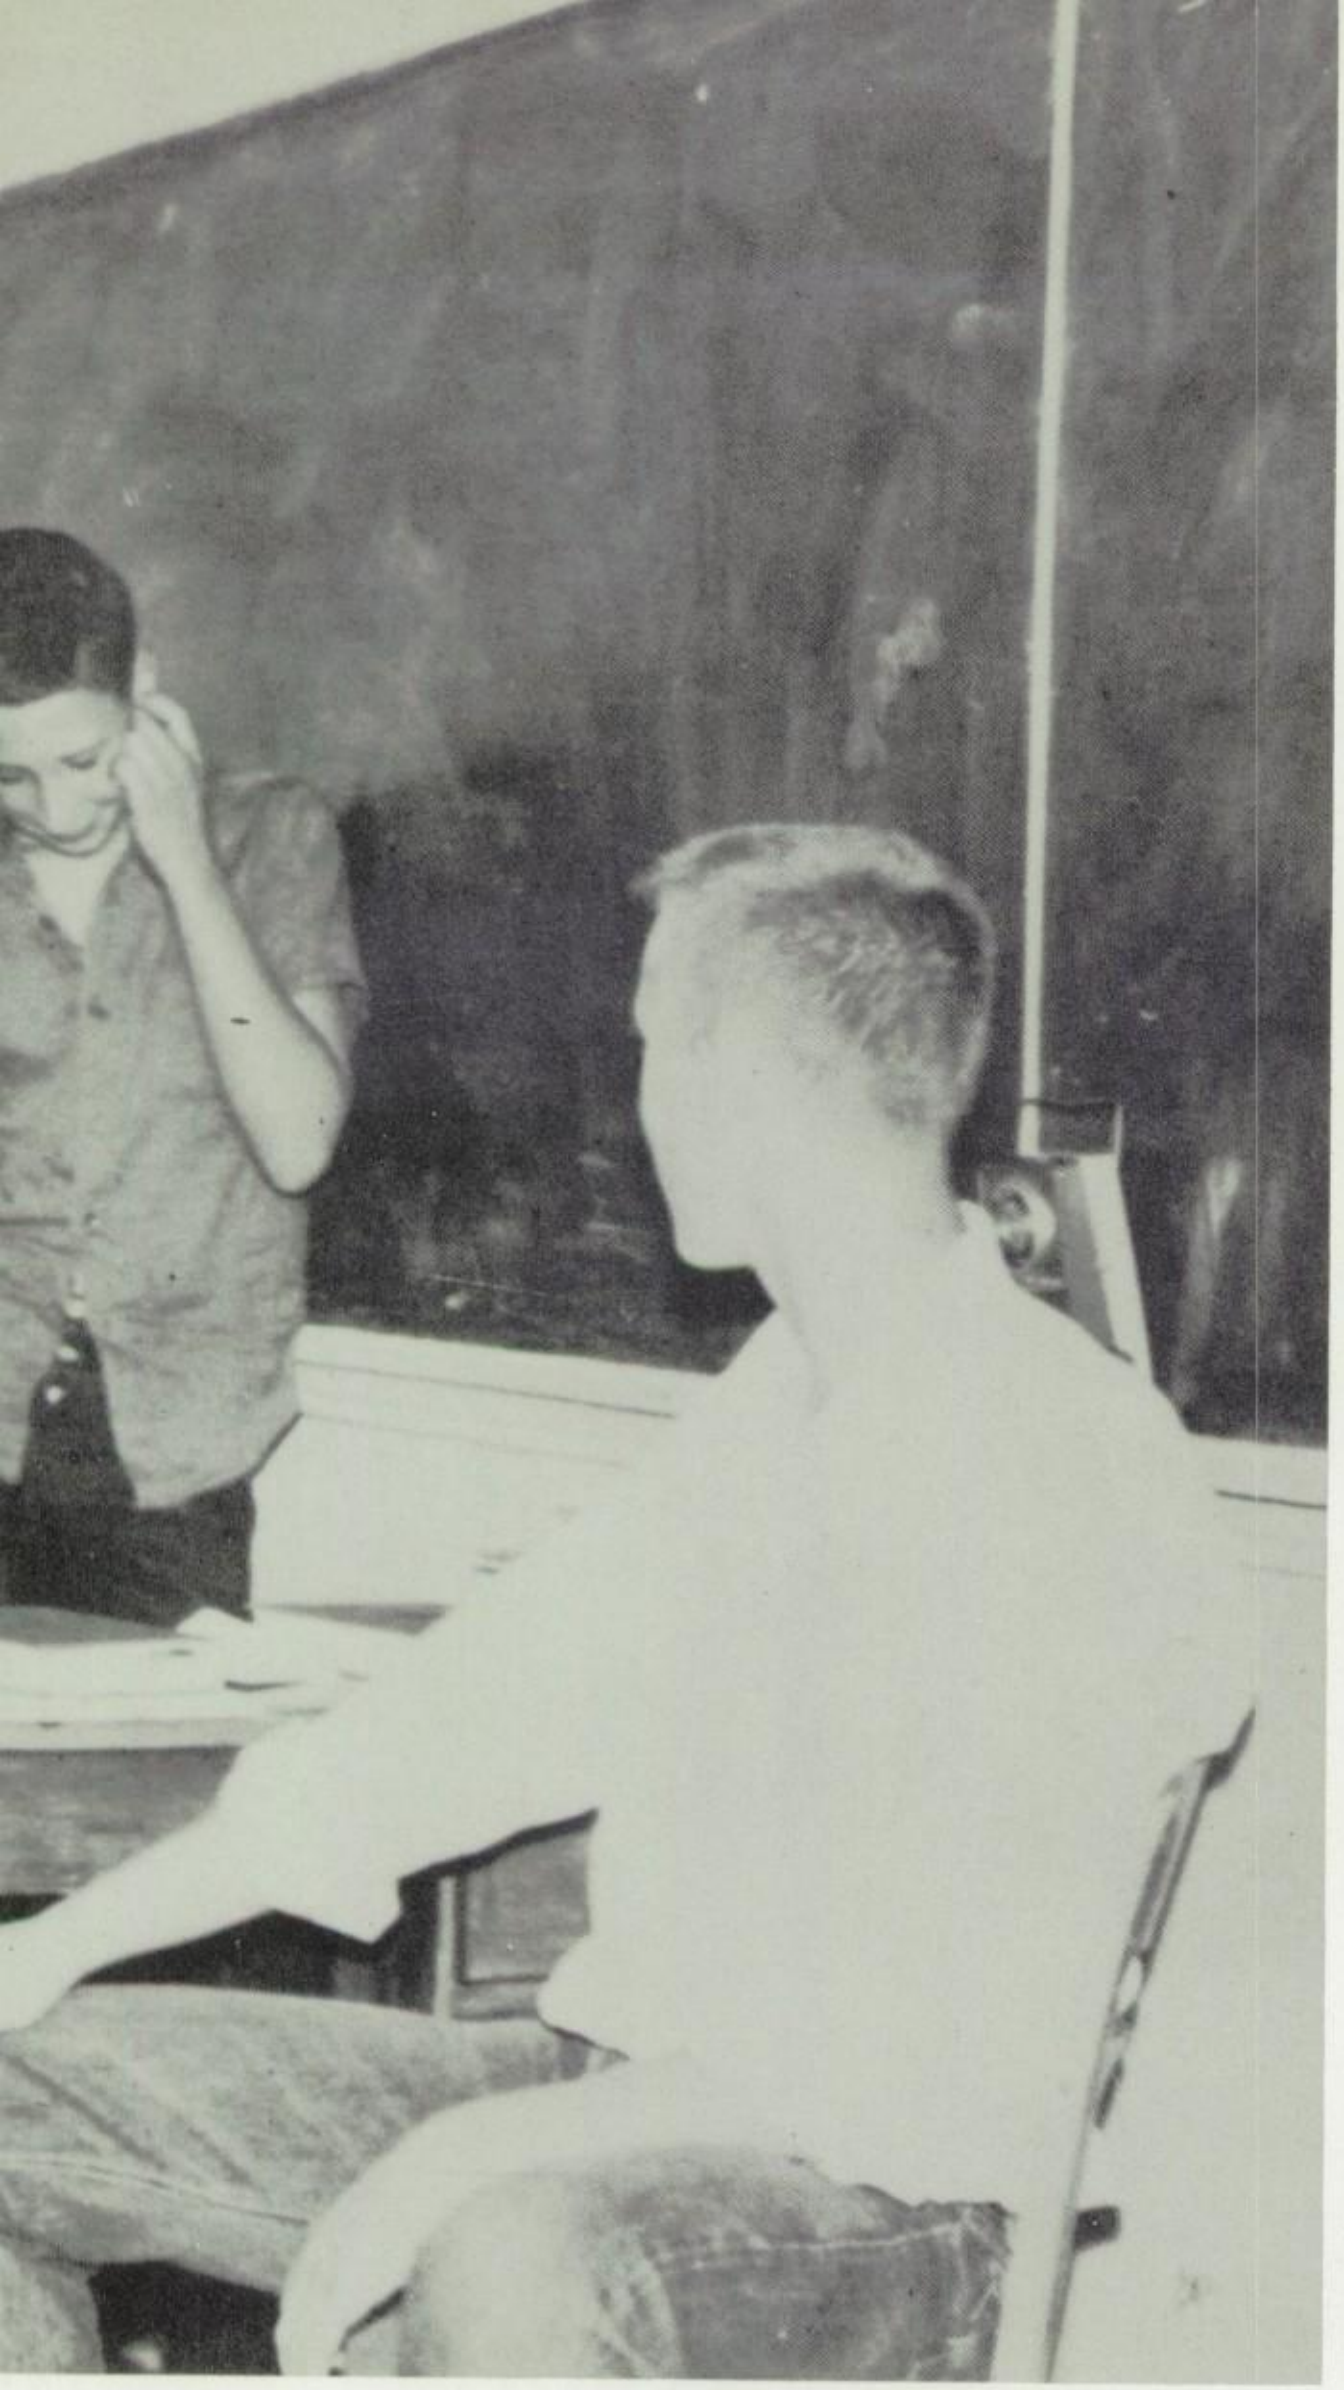
I am Discipline . . .



I am discipline; and I am also leadership, for I am the Student Council. I was elected by my classmates and friends here at Prep, and I must carry the responsibilities that they have given me. I consist of five students who are not only in charge of their individual fields of responsibility, but also must act as a student court to keep the student body in line. I am the go-between for the students and the administration; therefore, I must show common sense and good judgment in everything I do.

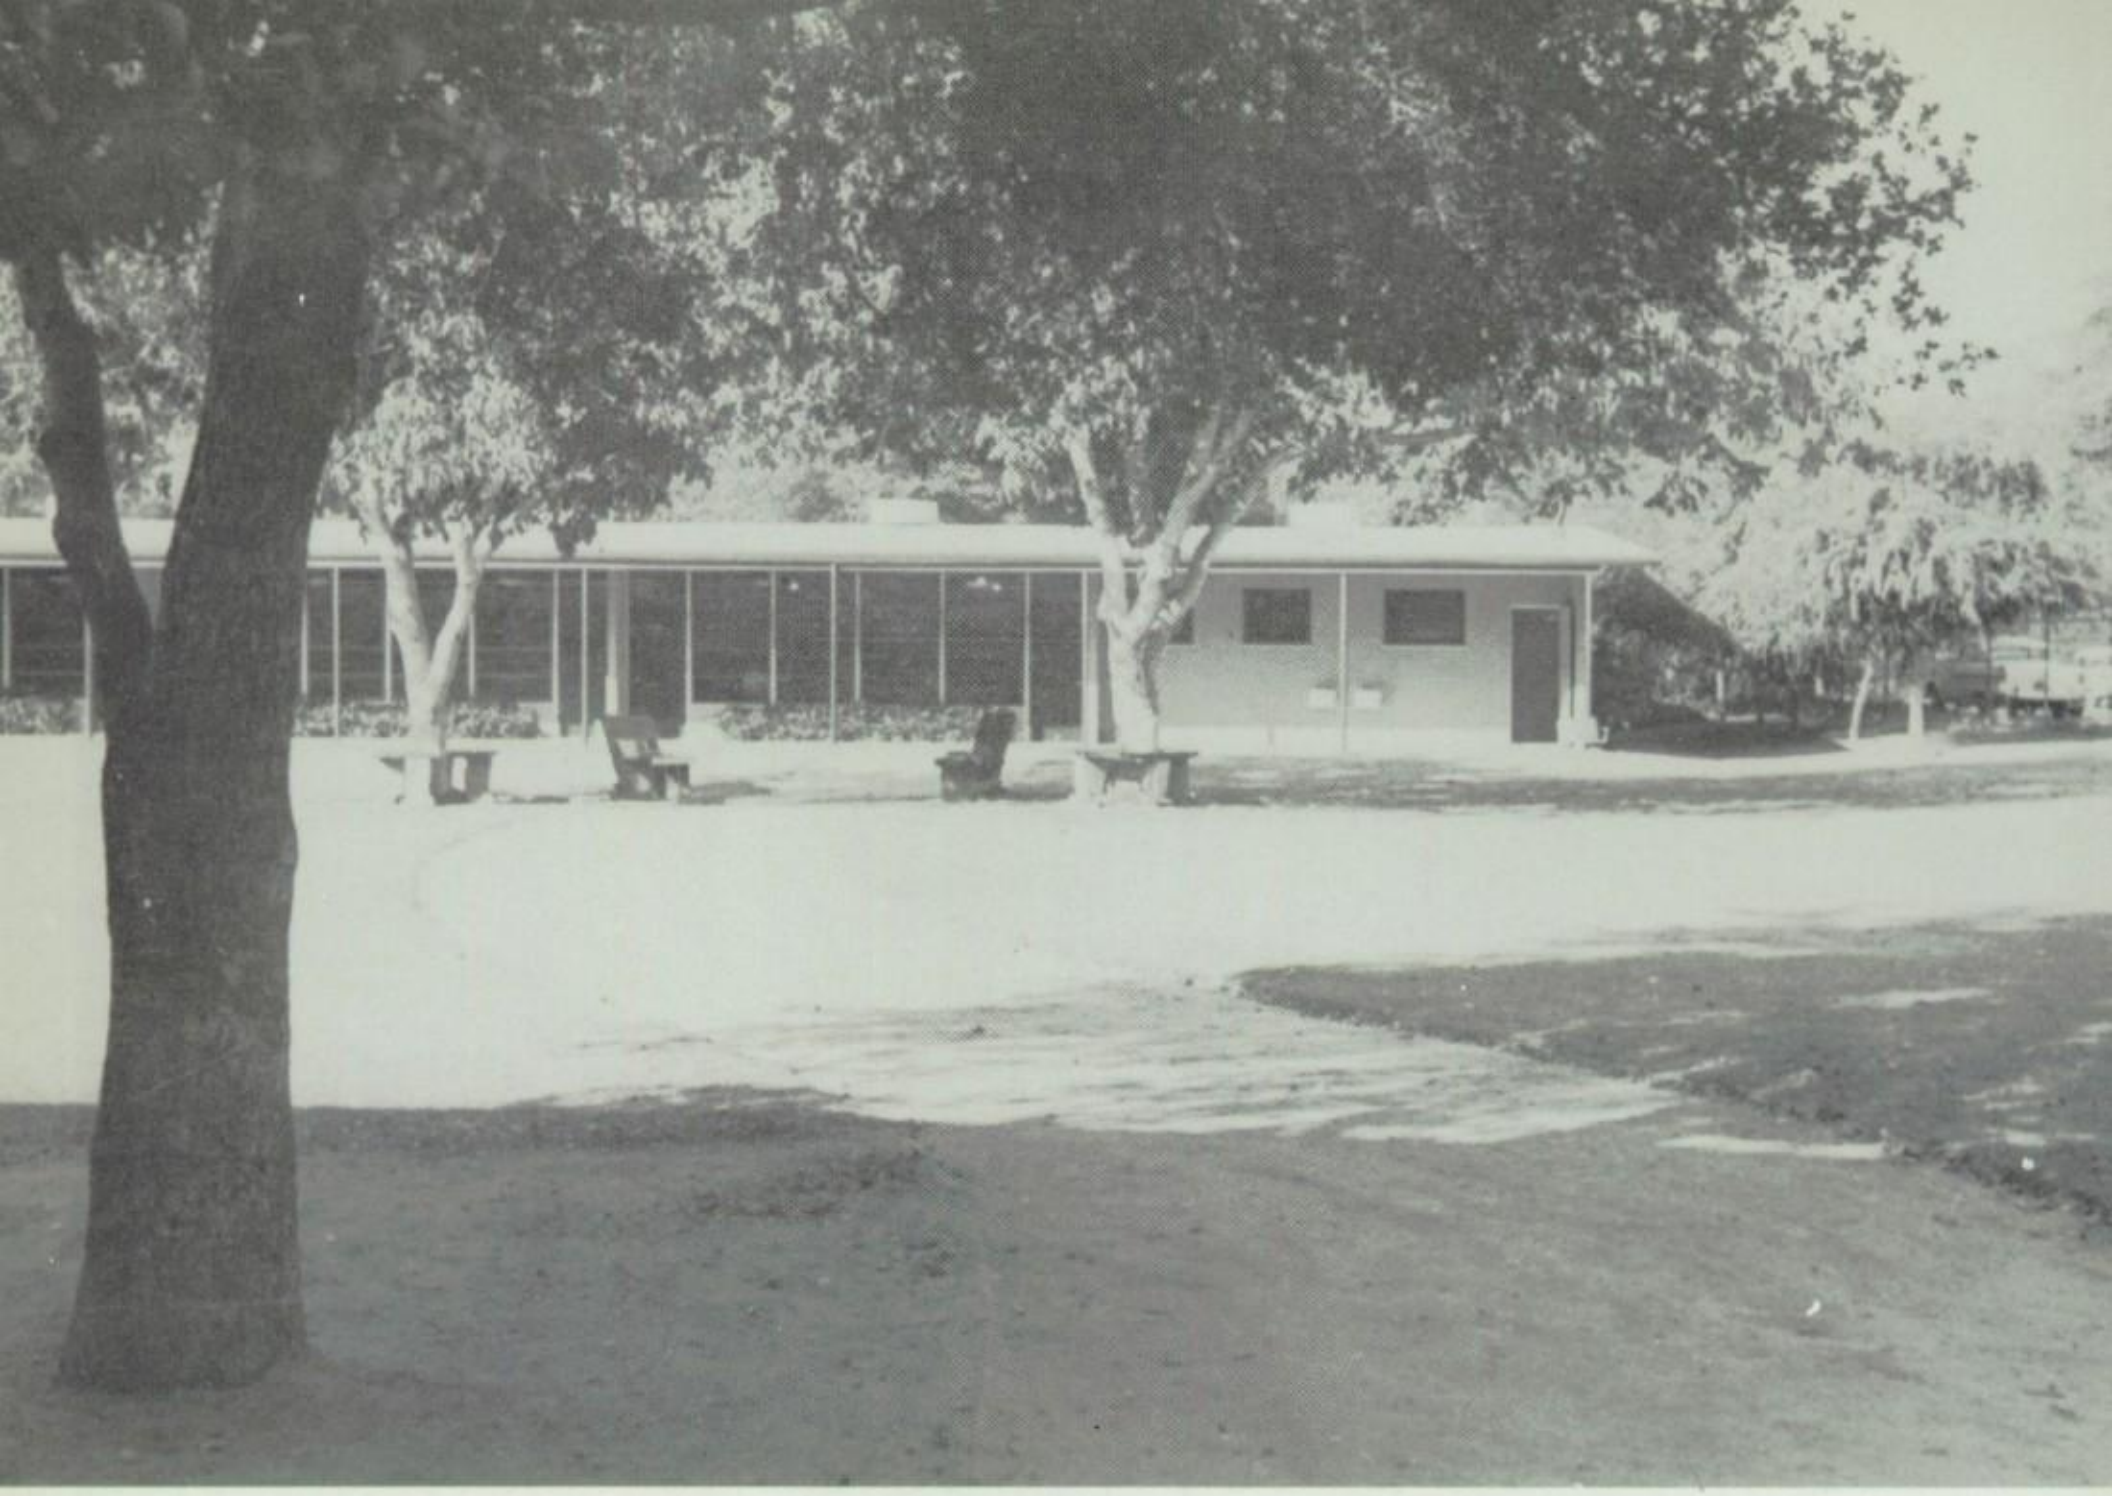
I am a Student . . .

I am a student; I am every student. I know that the sole reason for the existence of this school is that it helps me mature and develop my mind. Because of this loyalty to the student, Prep is loved by me and by all other students of Flintridge, past and present. I know that everything I do on campus or off is a reflection on my school, and I try to live up to its reputation. I'm a lucky guy to be a student at Flintridge, and I am sure that it is a place that I will never forget.



Senior Class of 1961

I am the Senior Class. My president is Richard Lochridge, my vice-president is Ray Fortner, and my secretary is Neal Yingling. The Seniors must set an example for the rest of the classes by participating eagerly in school activities and by demonstrating great spirit in all fields. But my story goes back to previous years, during which all of the Seniors have grown not only physically, but also mentally. When I break up in June, my members will go different ways, able to carry the responsibilities that our society demands. The members of the Senior Class have now made the transition from adolescence to young manhood.

Richard Keeler Lochridge

Punch has been at Prep for four years and has been the class president of his Sophomore and Senior classes and vice-president of the Lettermen's Club . . . Life Member of Cum Laude and has received C.S.F. four times in addition to the Rensselaer Award in Mathematics . . . He lettered in tennis and football . . . Juniors

I am the junior class; my president is Tom Gray. In accordance with a long-standing tradition at Prep, I have pursued a friendly, but arduous, rivalry with the Senior class, in addition to trying hard in class competition. My members have participated in many school activities, and my class project, the **Highlander,** has lived up to the examples set by previous classes. Indeed, I am proud of my position at Prep.

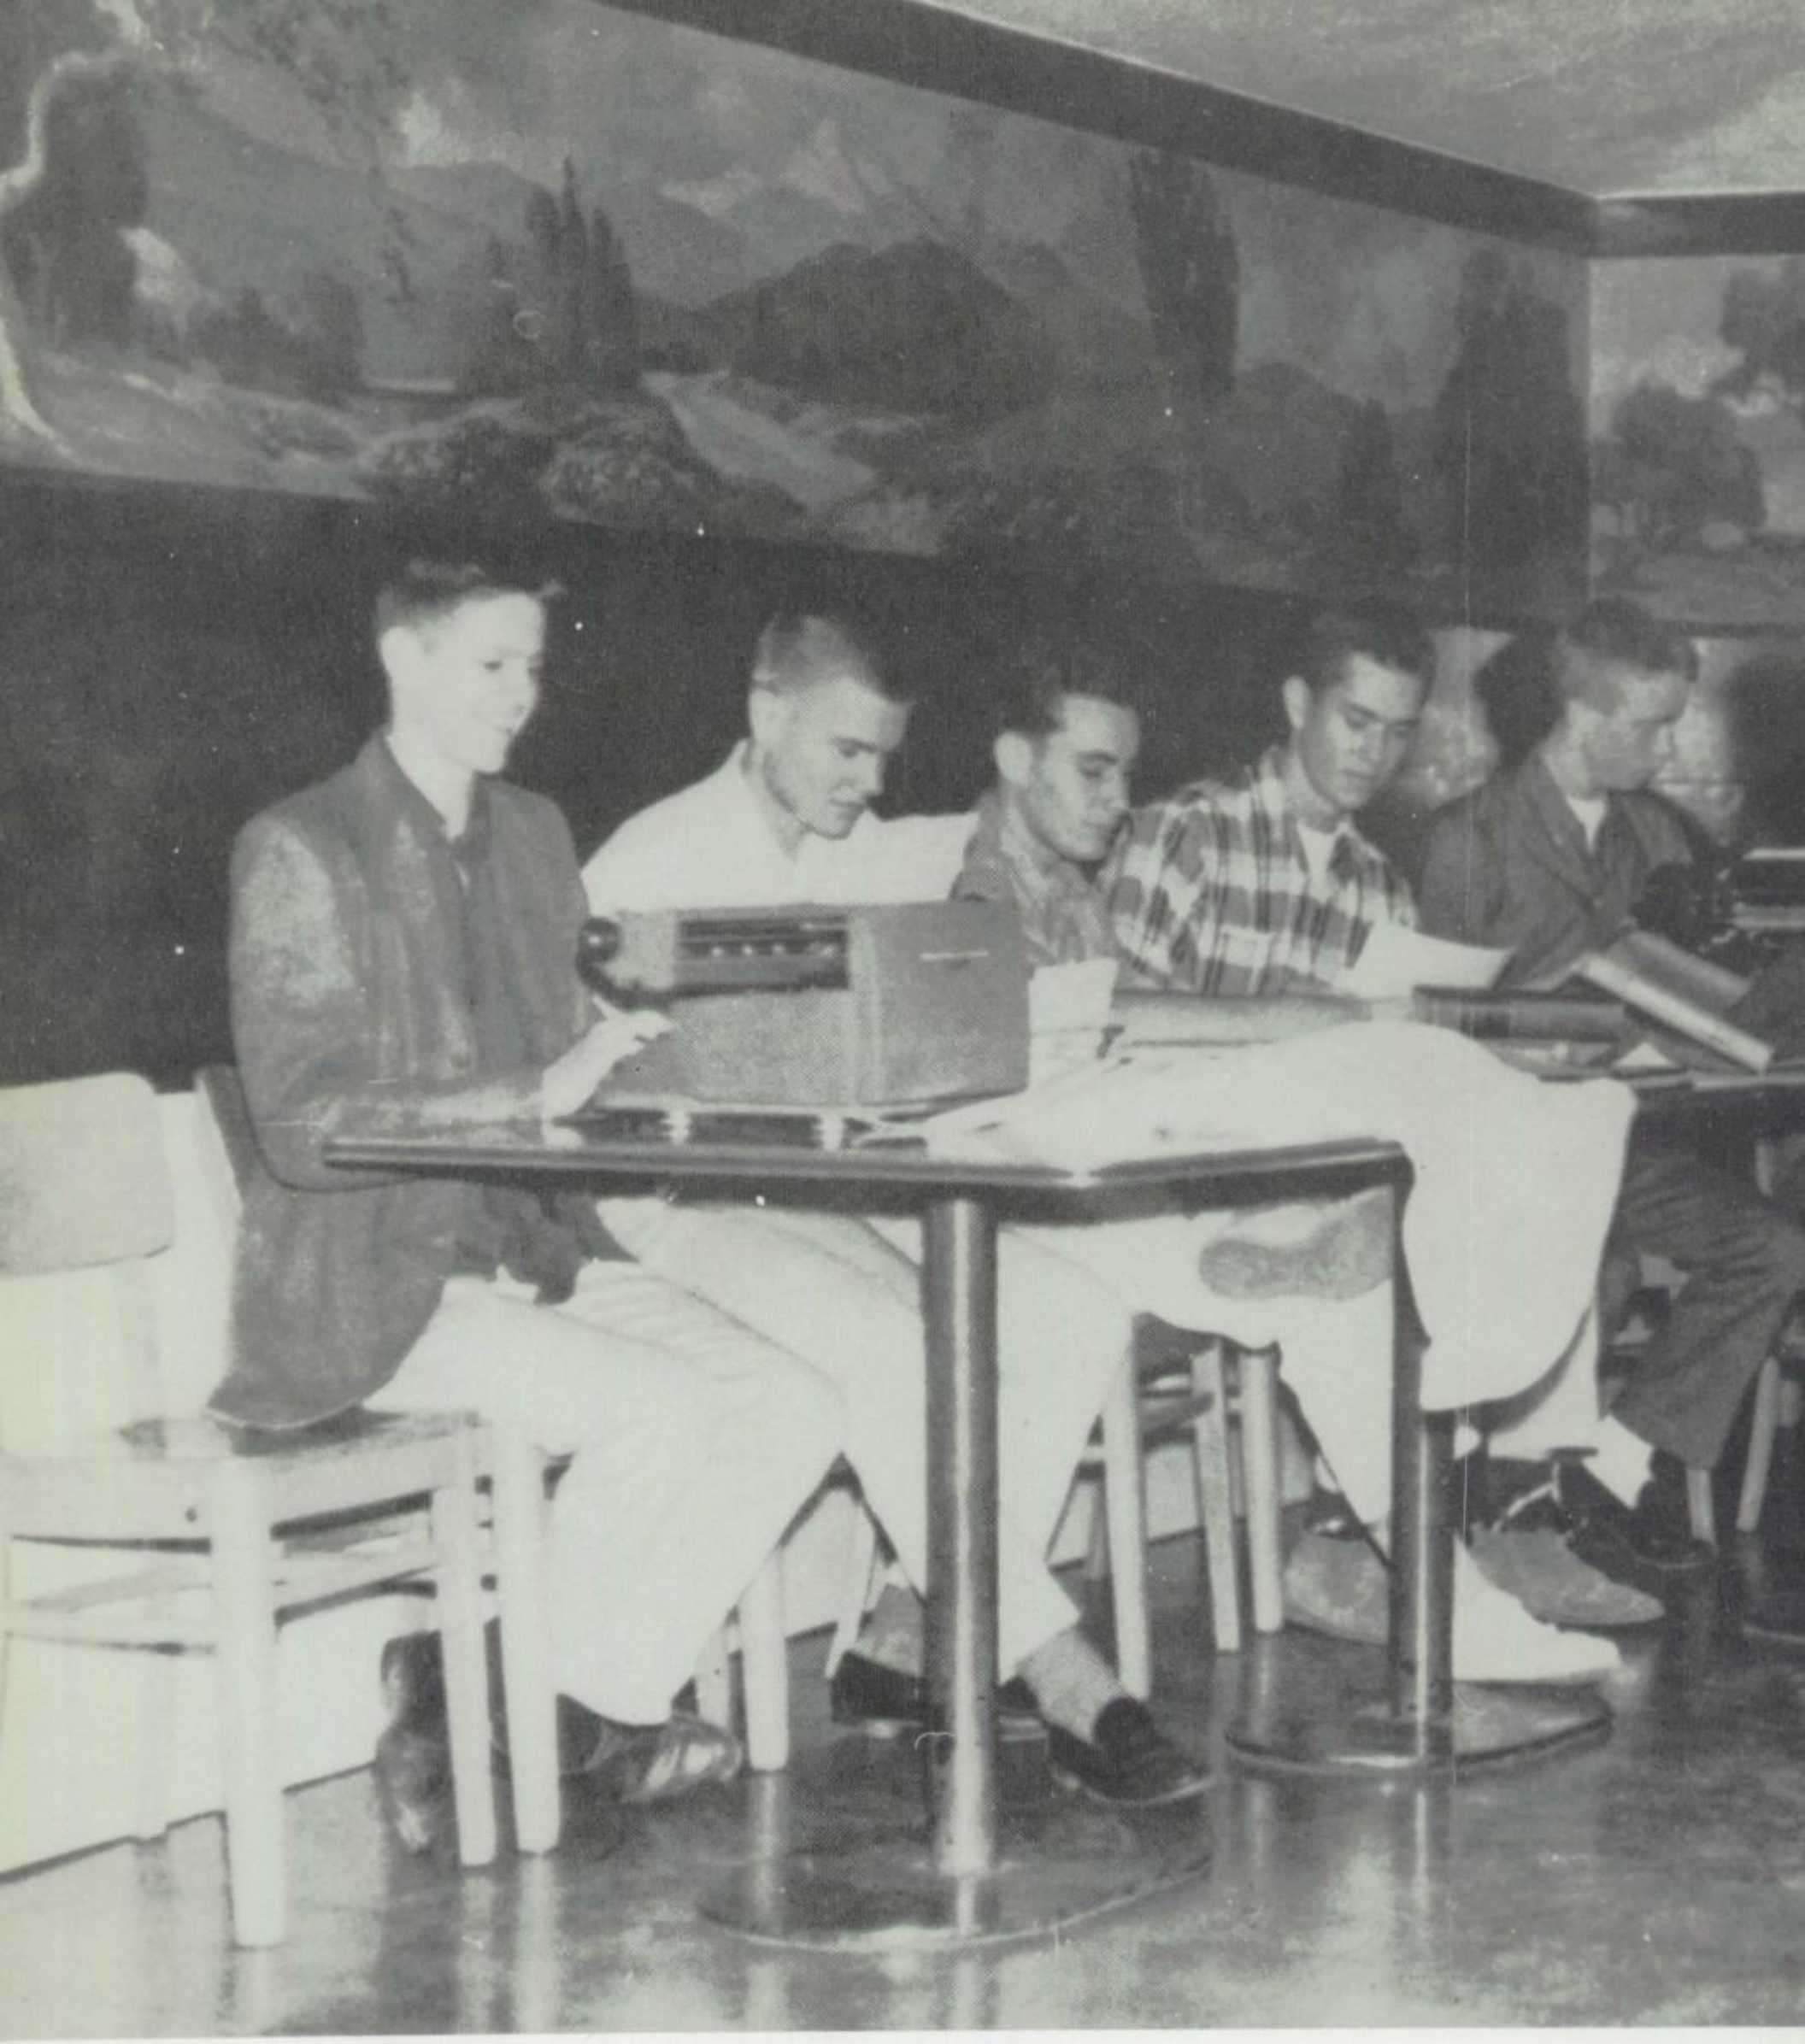
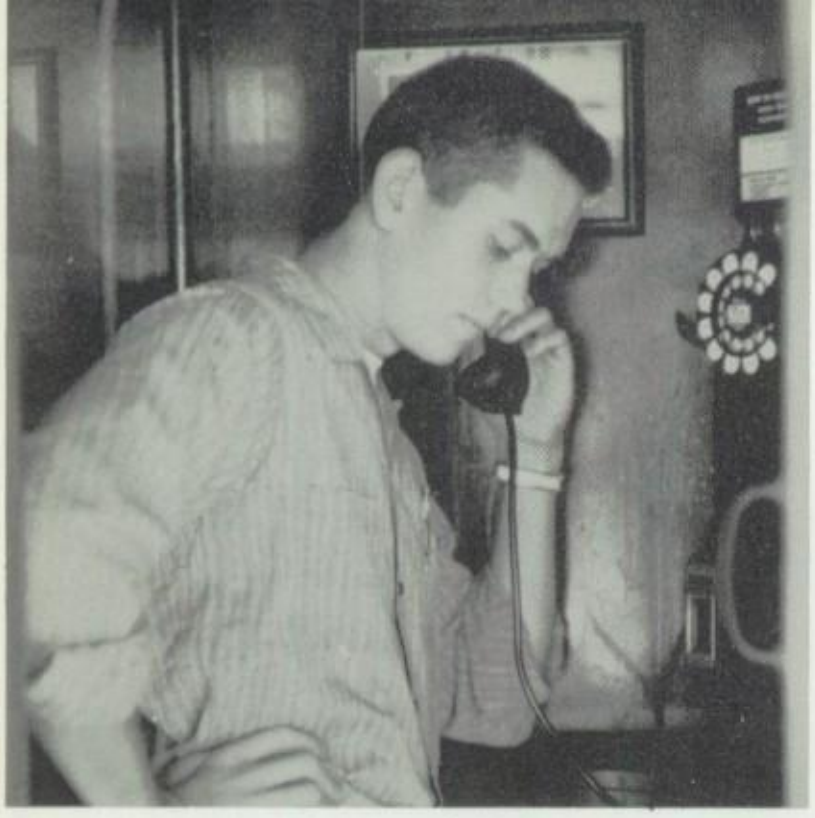
MARK W. RICHARDS

Enrolled at Flintridge September '57, graduating from the 8th grade, has represented the lower school in football, basketball, baseball and swimming. He is a good student and well liked by his school mates. Hence, his election to receive the JUNIOR CITIZENSHIP AWARD.



I am a Story . . .

I am a story. I add an essential and long-lasting quality to each of our lives at Prep because I am a story of fact, not fiction. Through the **Highlander** and **Log** I tell the story of the life at Flintridge, and for the students and teachers I will someday stir up fond memories of youth and an almost forgotten time. My staffs have worked hard and long for the reward of seeing students, parents, and teachers eagerly reading their material. Now I only hope that I have told the right story and that my readers are pleased by it.



Our Leader.

Each year the **Log** is the official duty and traditional irritation of the Commissioner of Publications. This year's Commissioner, Tony Chambers, has employed most of the Senior Class to meet deadlines and to bring you a yearbook that is not only factual, but also original. The "I am Flintridge" theme has taken many hours of preparation and a lot of imagination; but all of it paid off, for the whole staff thinks this is the finest **Log** yet. We are happy with it, and think you will be too.

"Mr. Noia, you devil, you."

Under the able direction of Dennis Dewenter, Editor-in-chief, and with the advice of Mr. Denniston, this year's **Highlander** has been a terrific success. In each publication, accurate and interesting reports have given an inside picture of what is creating the news; fair coverage has been given to both sides of controversial questions; enlightening articles about the faculty and students have improved relations; and humor has always appeared. Our thanks go to the **Highlander** Staff for a good year of reporting.

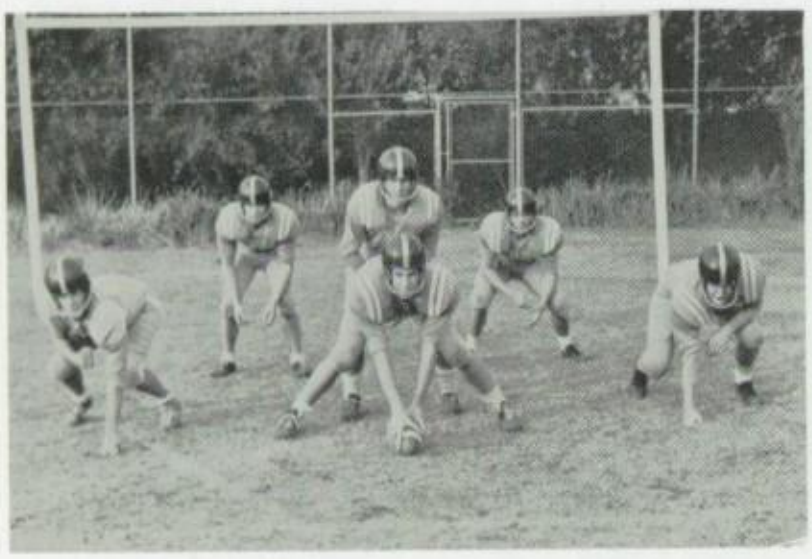
I am a Cheer . . .

I am a cheer. To many students I am the most important "fun" aspect of life here at Prep. Through a fine sports program, I have developed a great spirit of competition and drivé in each student which will be one of the major factors in his future success in the world. Every student has received a type of education that is important either by playing or cheering for one of the great Flintridge teams. Football, basketball, baseball, golf, tennis, and swimming. are among the many sports which I have made an important part of life at school. Now, come on, team, get in there and Fight! Fight! Fight!

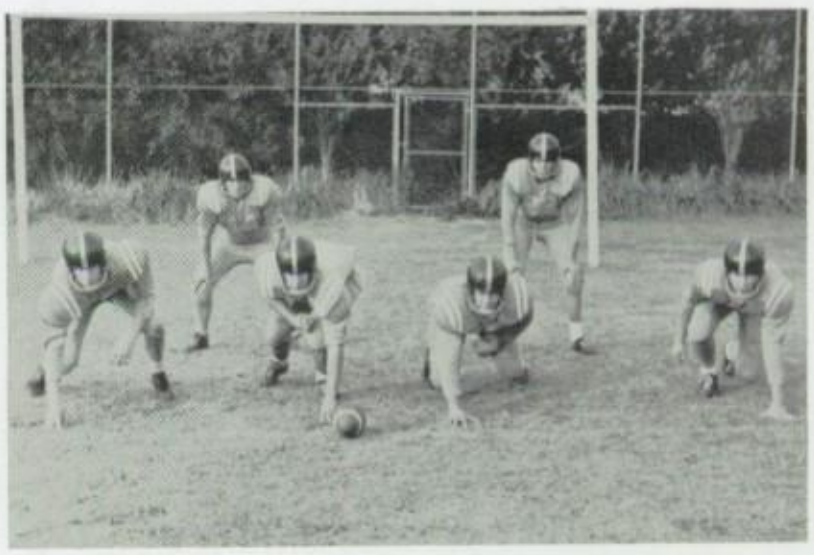
Varsity

Football

Offense



Defense



This year's varsity football squad, led by co-captains Tom Muir and Rob Shaffer, showed the football prowess that has become a tradition at Flintridge in the past few years. Again it was the story of building a team out of a few returning lettermen; but as has happened before, new stars were uncovered and our team quickly developed into a powerful and well co-ordinated unit. It was a story also of team work and aggressiveness. Both squads made equal contributions to the many victories. The team finished the season having lost only one game and having extended the string of undefeated games to 17.

Although this year's team was comprised largely of Seniors, the prospects for next year's squad remain bright.

Black-Foxe at Flintridge 46-0

The team quickly erased any doubts people might have had about its strength by the savage trouncing of Black-Foxe. The defensive unit, led by Mike Ford and Rob Shaffer, held the opponents scoreless while the running of Tom Muir and Tom Gray, coupled with the pass catching talents of Mike Joseph, piled up score after score.

Flintridge at Brethren 30-18

For their next contest, the team traveled to Long Beach Brethren to meet a tough and stubborn group. The first half was close, but in the fourth quarter the well-conditioned Prep squad pulled away. A new school record was set by center Mike Ford, who made twenty-four tackles. Muir and Fred Heckendorn each scored twice, and Muir passed for two more. Aggressive defensive play was added by Shaffer, Kersten, and Lowell Peterson.

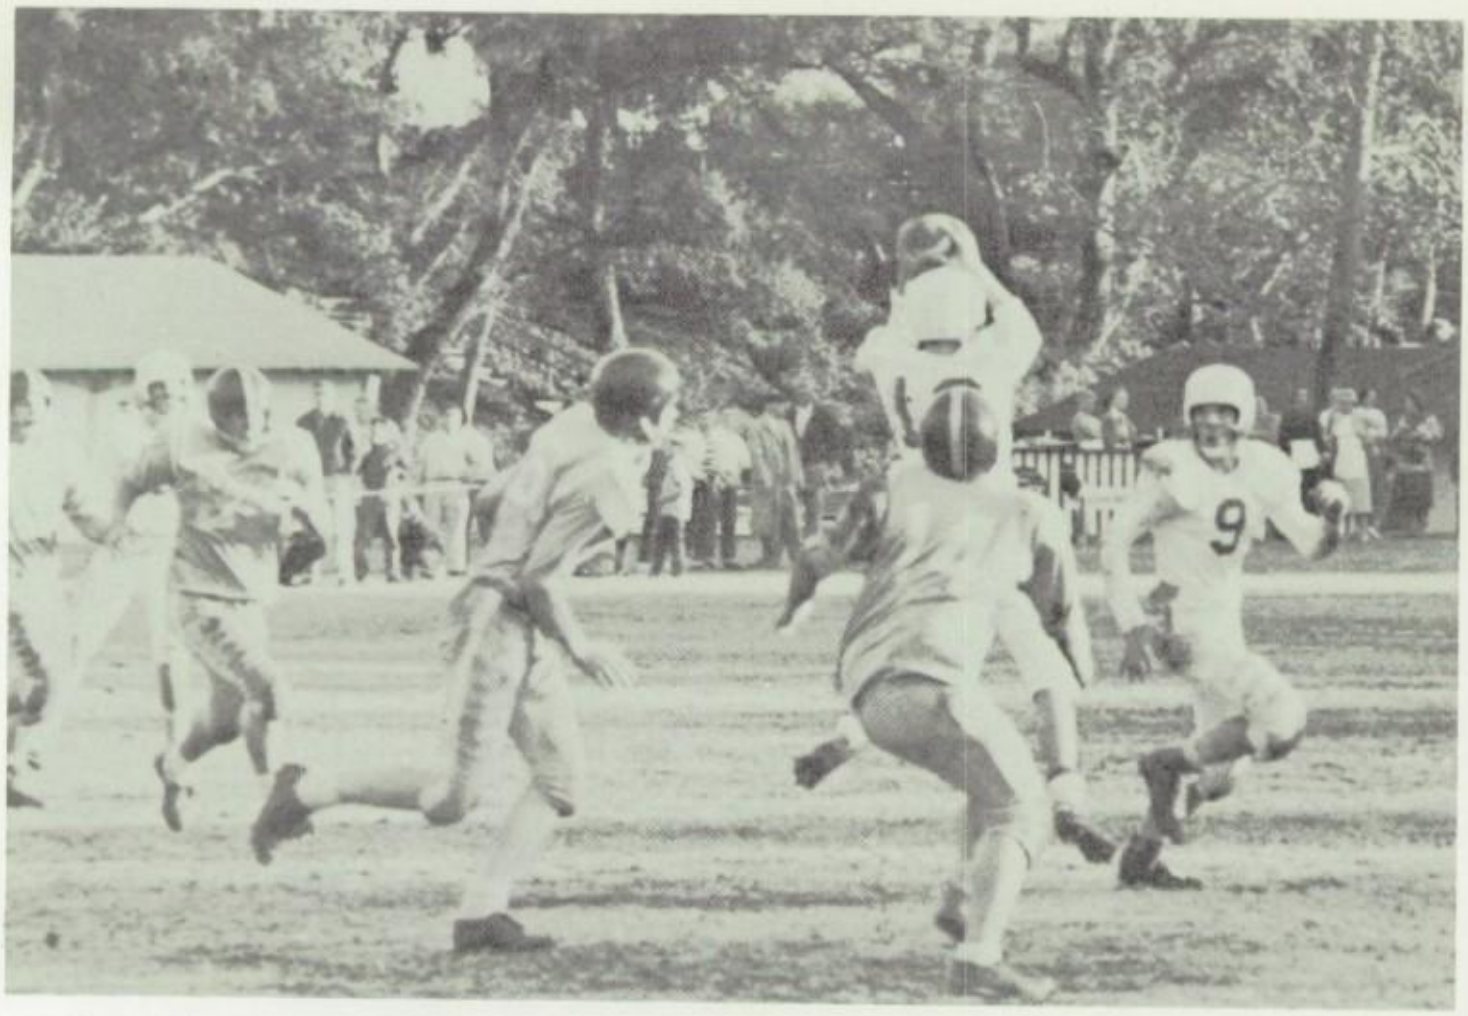
Pasadena at Flintridge 47-0

The Flintridge varsity was fired up when they played host to normally tough Pasadena and turned the game into a fiasco. Tom Muir scored twice on runs and passed to Mike Joseph and Dick Huff for 24 points and 3 conversions. Outstanding defensive plays were the order of the day as the whole defensive squad clicked to hold the opposition scoreless.

L.A. Pacific at Flintridge 74-24

In their fourth contest, the Flintridge powerhouse entertained the scrappy squad from L. A. Pacific. Again they let loose a fierce attack and added another shut-out to the impressive chain. Tom Muir ran for four touchdowns and passed for four. Also outstanding on offense were Tom Gray and Fred Heckendorn. Mike Joseph kicked two conversions and Muir passed for two.

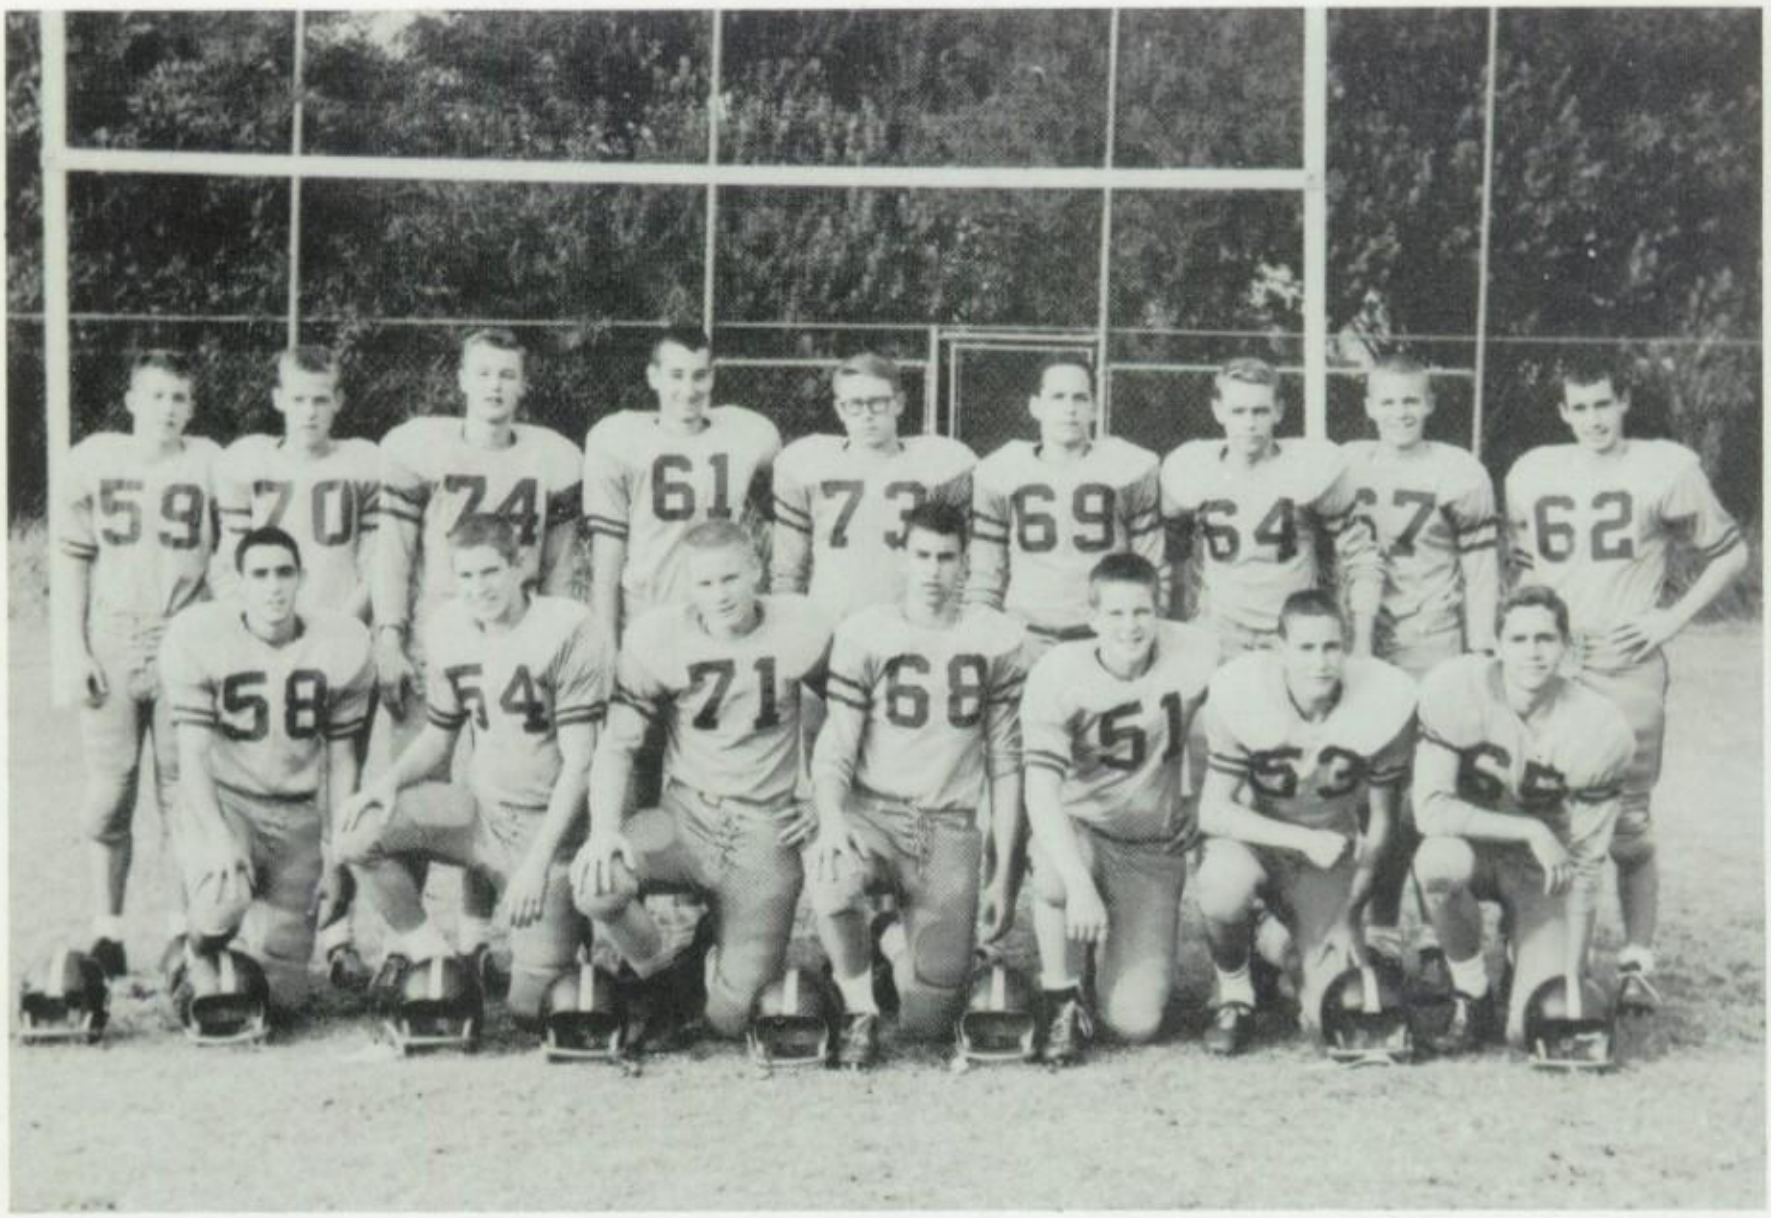
Culter at Flintridge 56-6



In the fifth game, Prep, while keeping its undefeated record alive, again kept its offensive squad rolling up points against the inferior Culter team, while the defense held fast. Fred Heckendorn, with a sensational three touchdowns, Tom Muir, and Tom Gray starred to rack up the victorious score; and the defense, sparked by Mike Ford, Punch Lochridge, and Lowell Peterson, gave up but one touchdown.

Flintridge at Chadwick 20-59

The final game with Chadwick was close throughout the first half; but the Prep team, hampered by injuries and a driving rain, couldn't rally against the powerful Mariner squad in the second half. A note of praise should go to the whole team, which never gave up even in the final minutes, and especially to Tom Gray, who played the whole game with a broken nose. Thus ended the 1960 football season, leaving Prep in the second place position.



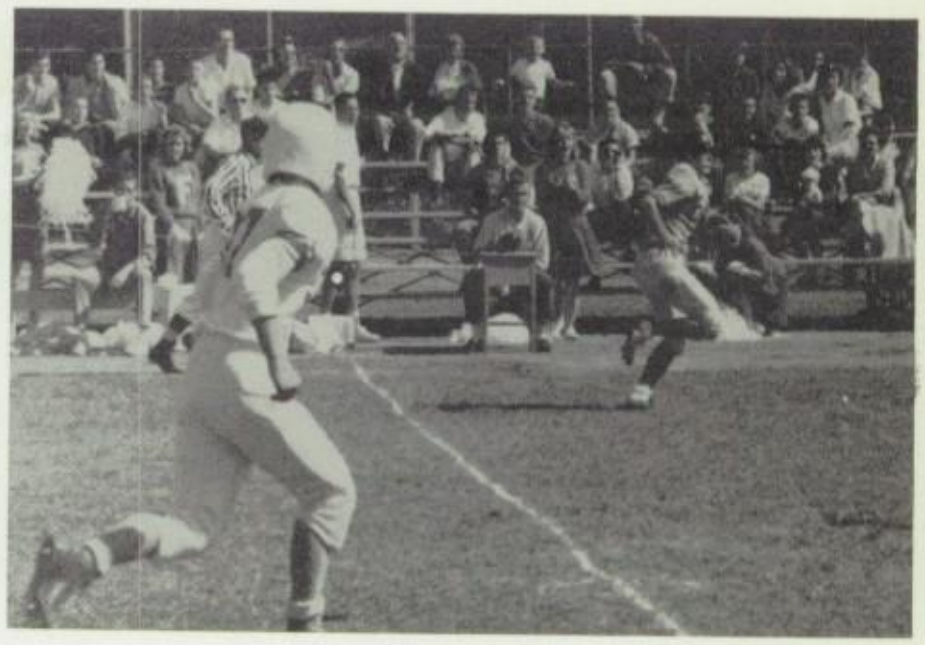
"B" Football

SCORES

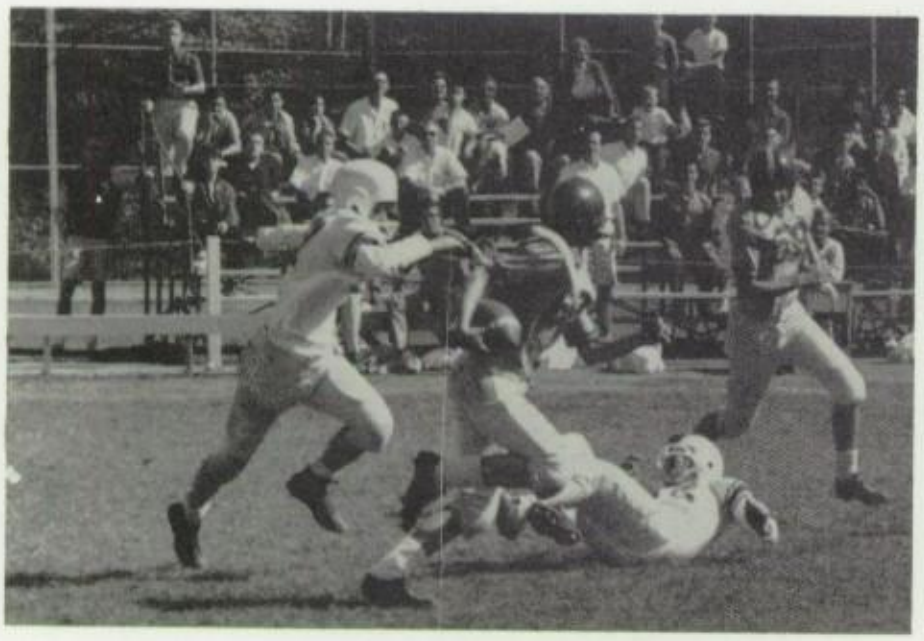
Flintridge 45 — Black-Foxe	0
Flintridge 50 — Long Beach Brethren	38
Flintridge 50 — Pasadena Academy	0
Flintridge 46 — L. A. Pacific	0
Flintridge 45 — Culter	6
Flintridge 20 — Chadwick	35

The "B" team, much improved over last year's squad, had a fine season, winning all but one of their games and falling just short of the league championship. Led by quarterback Steve Manildi and halfbacks Tony Joseph and Mike O'Reilly—all three of whom doubled often on defense—the team piled up victory after victory. The offensive and defensive squads functioned perfectly on three occasions to shut out their opponents. The team scored a total of 256 points while yielding only 79. The "B's" this year were made up mostly of boys playing high school football for the first time. Even so the team made an admirable record and several prospects have been uncovered for future athletic success at Prep.

"I keep telling you Chris, I'm on your team!"

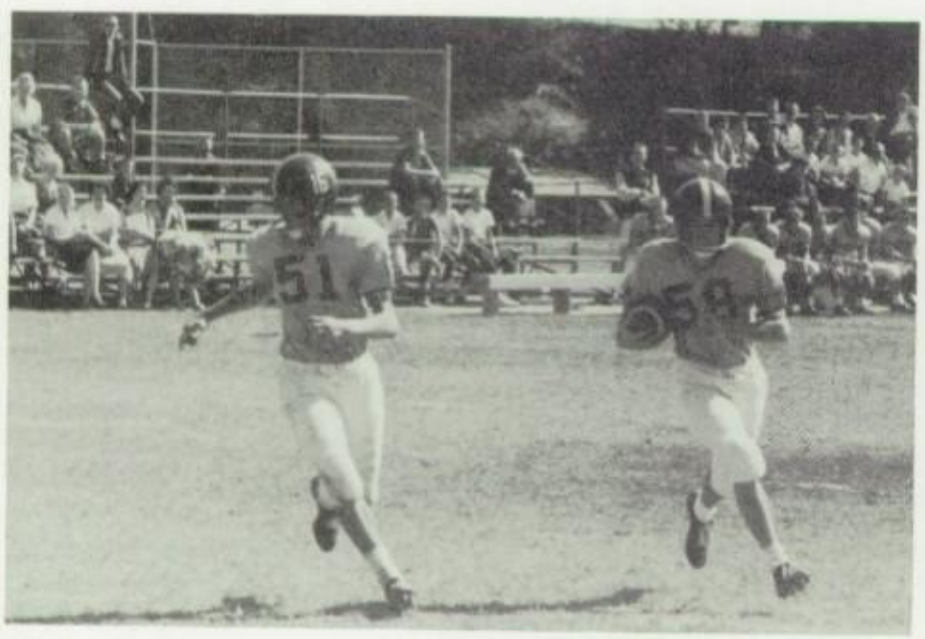


O'Reilly streaks for a score.



Joseph flirts with disaster.

"Oooo! Your hands are cold."



Huey looks for Uncle Donald.

That's not fair.

Varsity

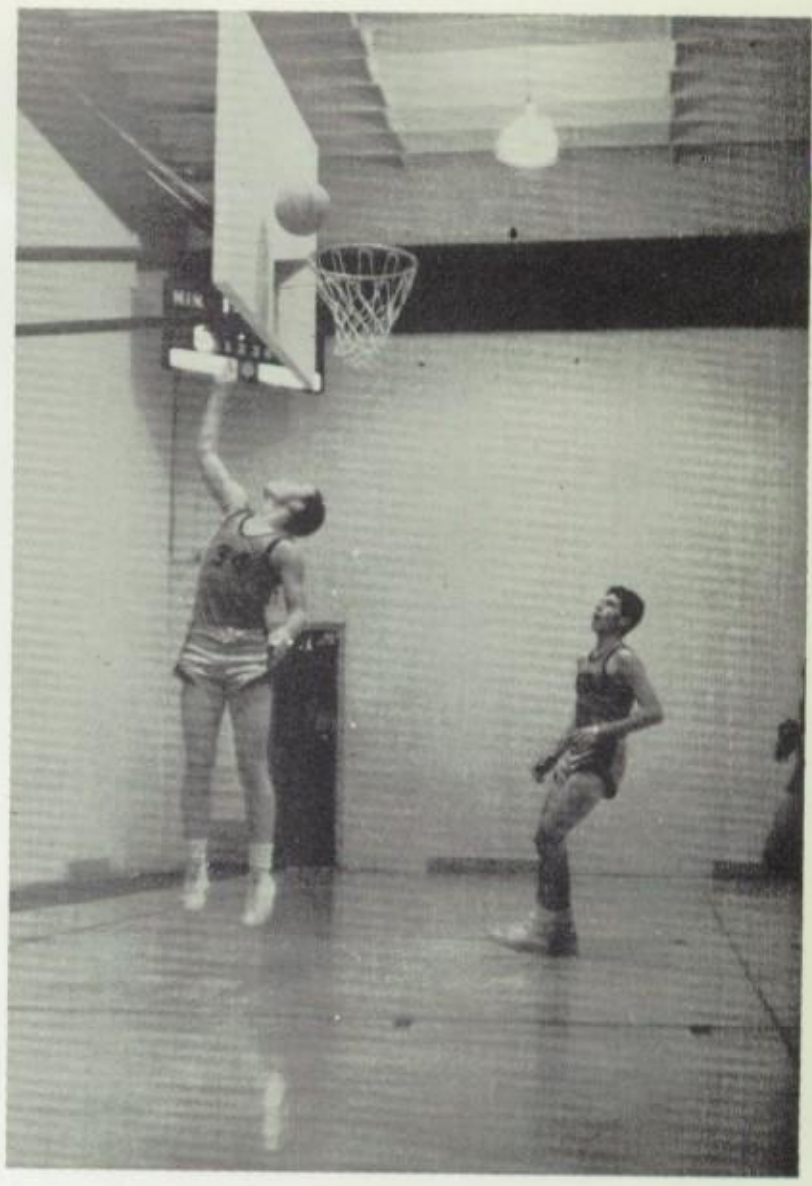
Basketball

The varsity basketball season this year was the the most thrilling as well as the most successful one in recent years. Nervous fans watched the players pull many games out of the fire with but a few seconds to play. Two league games went into overtime and were won by Prep.

The first team, captained by Tom Muir, was composed of five equally proficient athletes and a strong reserve unit backed them up. The team won its two non-league games and in league play won eight while dropping but four, two of which were extremely close. This was g o o d enough for second place in the league and a berth in the C.I.F. playoffs. Here the team defeated Upland and then bowed to a very strong unit from San Bernardino's Aquinas. Teamwork and great clutch playing gave Coach Tom Bradbury his best basketball season while at Prep.

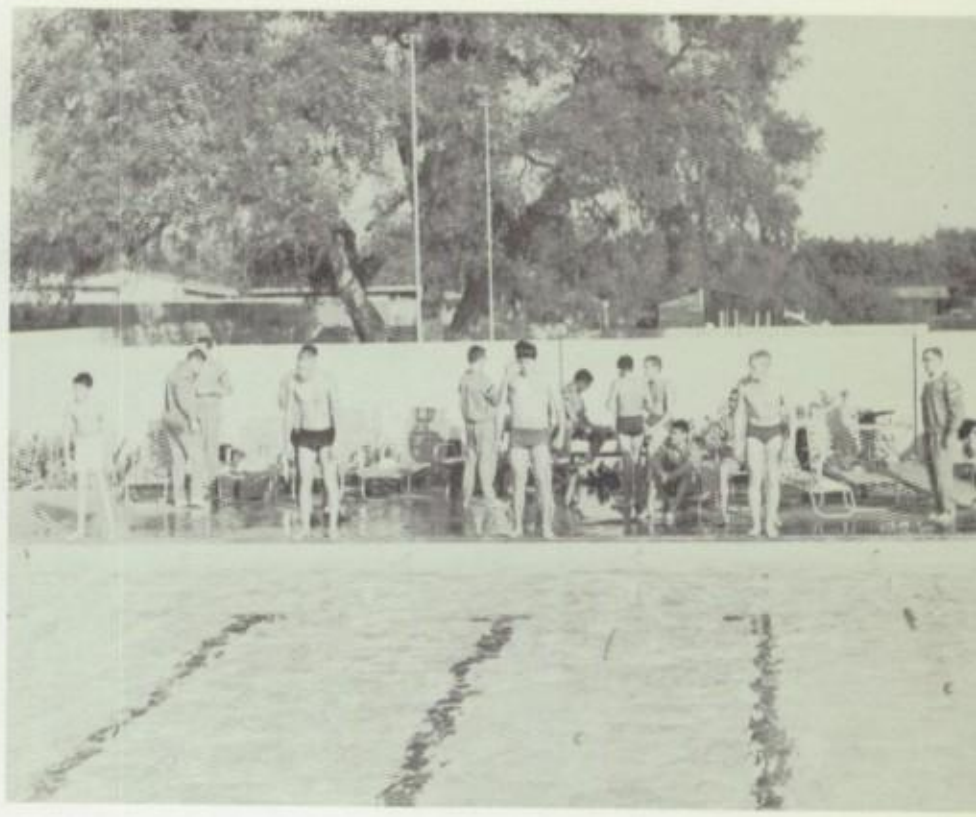
"B" Basketball

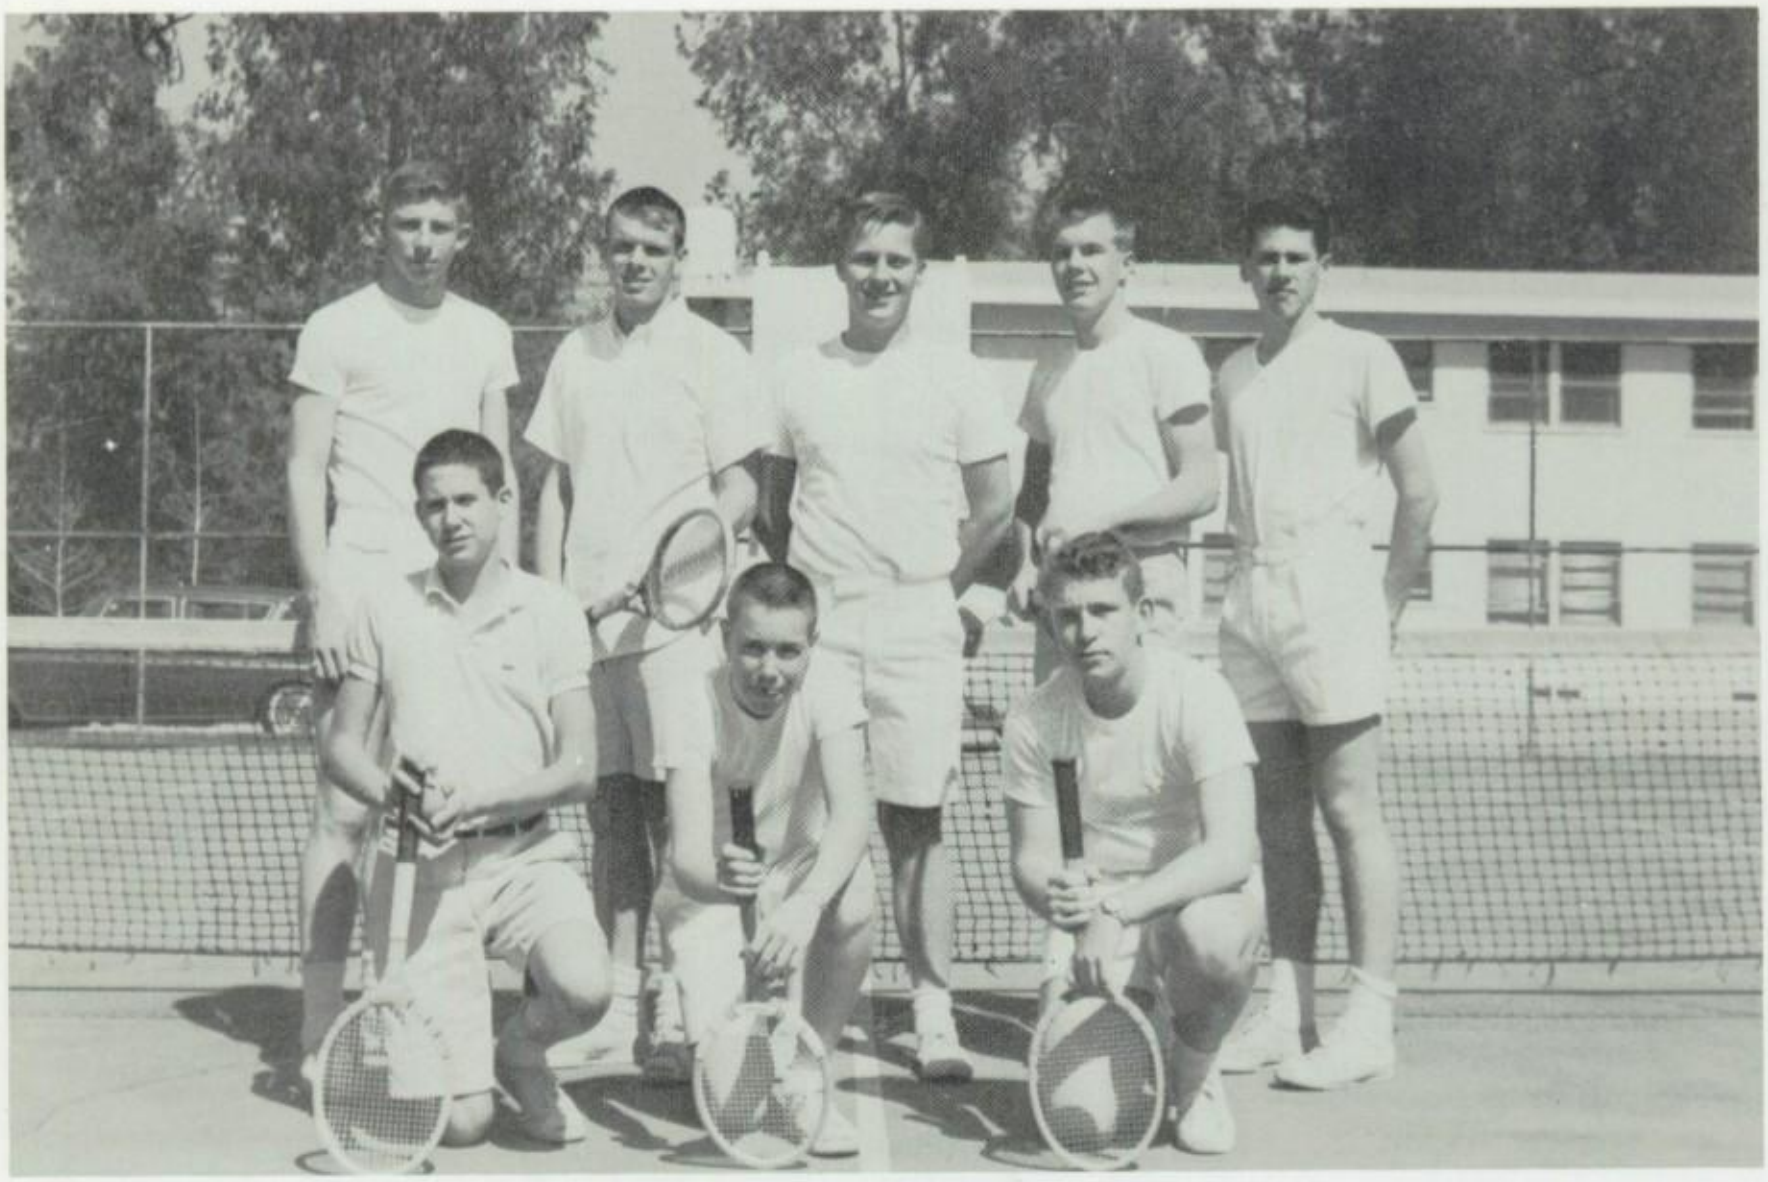
This year Coach Jim Wood, who has made winning "B" championships a habit, fielded what is probably the best "B" team ever to play for Flintridge. With their fast-breaking offense and a pressing defense, these boys racked up victory after victory and w e n t undefeated in fourteen encounters. Led by co-captain Tony Joseph, who amassed a personal average of 26.4 points per game and set a league record of 41 points in one game, and Mike O'Reilly, whose aggressive play sparked the team, the "B's" scored a phenomenal average of 74 points a game. Joseph and O'Reilly were backed by first stringers Dave "Dead-Eye" Shapiro, Steve "Sure-Shot" Manildi and Bob "Basketball" Wood, plus a strong reserve unit. In the game against Pasadena Academy the "B's" ran up a score of 108 points, a league record. The varsity looks forward to seeing these boys move up. Nice going, fellas!



Swimming

Again this year Coach Wood carried on his fine tradition and produced another superb swimming team. We were fortunate enough to have good speed in all the events, and the team showed well in all its meets. In past years Prep has been able to turn out several high school All-American swimmers, and the **Log** thinks that this year the team will again produce a great. The fact that the members of the team were almost all in the younger grades gives the school great hope for future success and maybe some championship teams.





Tennis

This year's tennis team had a better than average turn-out among the student body, and as a result did better in their meets than last year's. However, the team lost its first few players, and suffered a disadvantage against bigger and more experienced schools. The team showed the spirit and determination to win which is characteristic to Prep; and whether win or lose, the players showed the true grace of a championship team. Our whole-hearted support goes to the tennis team, and we wish it luck in coming meets.

Front Row: Moore, Wheeler, Busch, Manildi. **Second Row:** Mr. Acosta, Yingling, Sutton, Fisher, Sweeting.

Golf

Despite one of the toughest schedules in years and the loss of all last year's lettermen, the Golf team has shown great spirit. Coached by that Spanish version of Arnold Palmer, Mr. Acosta, the team shows improvement with every game. Steve Manildi, Mike Busch, and Mill Lamb led the team with divot makers John Sutton and Steve Fisher adding their touch. Two Freshmen, Matt Moore and Wells Wheeler were swinging away also. All are sure to bring home honors to Prep in future meets.

Baseball

With the purchase of a pitching machine and new uniforms, the baseball season began with an unprecedented enthusiasm on the part of both players and fans. Although Tony Joseph, Mike Joseph and Jim Wegge were the only returning lettermen, several talented newcomers have appeared and the team is confident of a successful year. The pitching of Bill Lamb and Norm Scott are sure to bring victory after victory, and the ability of the infield is certainly no handicap. In addition, the batting this year seems to be better than last season's.

All in all, Coach Tom Bradbury feels sure of another berth in the C.I.F. playoffs at the end of the season.

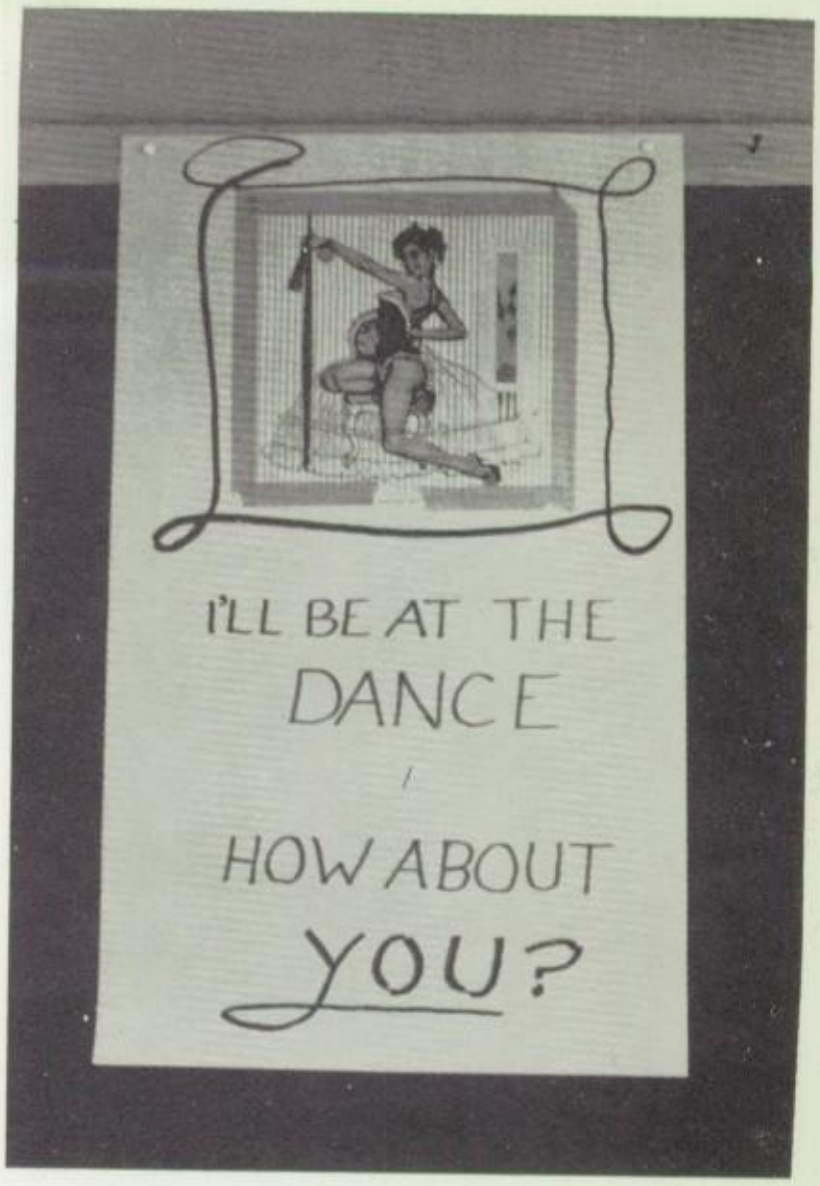
The Flintridge Lettermen's Club, now in its second year, is made up of varsity lettermen and Seniors who have lettered in "B" sports. The purpose of the club is to boost school spirit and encourage participation in school events; this is being done by distributing g a m e schedules around the community, holding pep rallies, donating money to the new library, and sponsoring several dances.

The officers for this year were Dick Huff, president; and John Lochridge, vice president; and John Frantz, secretary. Under their leadership the Lettermen's club has added much to campus life, and we hope that it will continue to do so in the coming years.



A dance we'll never forget.

I Am Work . . .

I am work, and life at Flintridge centers around me, Every student must work hard; and through this work he learns different things. This new-found knowledge comes not only from books, but also from life. I am a discipline and a process of maturing at the same time. All of these things make academics the most competitive and all-encompassing field of endeavor at Flintridge, and those who work the hardest receive the awards. I am glad I have been able to give all Prep students an advantage for college and for life.

Sportsmanship Award

RICHARD L. HUFF

Enrolled at Flintridge September '58, will graduate in the Class of '61. Commissioner of Athletics; lettered in football, basketball, manager baseball. Dick is a student, an athlete, a leader and fine gentleman. Because he is popular with both students and faculty, he has been voted the coveted SPORTSMANSHIP AWARD for 1961.

Class Competition

Under the able direction of this year's Student Council, the intramural events which make up class competition were carried off quickly and smoothly with the Seniors grabbing the majority of the gold medals. The freshmen made a strong bid for second place; but as the year progressed, they slowly faded into the abyss to join the juniors in last place.

The first event was football. The Seniors cooly defeated the juniors and then the frosh, who had upset the sophomores, to take first place and five points. The juniors took second, followed by the frosh and sophs.

In other contests the Seniors took first in semester grades and demerits and second place behind the frosh in first quarter demerits. The Sophomores managed to win in the first quarter grades. The juniors finished last in demerits twice but did manage to get a second in semester grades for three points.

With volleyball and basketball still to be run off as we go to press, the Seniors are sure to be the guests of the juniors or freshmen for a fine dinner. As always, the events were engaged in with a spirit of fun and good sportsmanship, and the competition did much to increase class unity.

The Winners!

The Losers - Which One?

I Am Play . .

I am play, a very important part of the lives of the students here at Flintridge. To the dads I mean the weekly allowance; to the mothers I mean getting home too late; to the little brother I mean that for once he sees his TV show; but most important is what I mean to the students. To them I could be a good healthy fight, relaxation at a movie or on the Senior lawn, a party, or, as is usually the case, I might mean a girl. But whatever I am or wherever I might be present, I will always be fun. This **Log** shows me in an organized form, but fun and play have no bounds of time or place with youth.

Dans Les Rues De Paris

By unanimous agreement, the Faculty and the student body of Flintridge call the Christmas dance the best in the history of the school. The theme of this great affair was "Dancing in the streets of Paris" and it was excellently depicted by the use of statues, lighting, an Eiffel Tower, a beautifully decorated band platform, and a gigantic Christmas tree that sparkled with many lights. The Senior Class, who put on the dance, instituted a first by the use of the two huge backdrops to add an even more realistic effect. Santa Claus made his appearance at ten o'clock and distributed presents to the young ladies who agree with their escorts that our party gave a rousing send-off to the Christmas season.

The heroes.

The Heroine.

Give it back! That's for Mrs. Claus.

Only a part of the great decorations.

Just keeping the guests happy.

"Get your Care package today!"

"Take yo' money and get outta town, yo' city slicker

The Freshmen dance started off the social life of the year with one of the best Halloween dances we have had at Prep. The theme of the dance was grub, or more specifically, Dogpatch. The highlight of the evening was the judging of the costumes, and for some reason a freshman won. Everyone had a grand time, and from the looks of this dance we can expect many more great dances from the class of 1964.

Carnival

The annual Flintridge carnival, sponsored by the Mother's Club, was a rollicking success as it has proven to be in the past. The Seniors, as is the custom, chose the monkey dunk as their money-making gimmick, and, as usual, they made more money than any other booth at the festival.

The Mothers' Club attempted for the first time to produce a play, and it worked out well. Under the direction of Mr. Denniston, who handled the technical aspects, and Mrs. Odriozola, who handled the music, the play was very entertaining. We wish to thank the many parents who offered their advice and talents to make this year's carnival the b e s t in the history of the school.

Thank You

There are so many people who have worked together this year to put out the '61 **Log** that to name them all would take pages.

However, I would like to give my sincere thanks to the following, without any one of whom the 1961 **Log** would not now be in your hands.

To Mr. J. Clayton Noia, our irreplaceable advisor, whose good judgment and discriminating taste have contributed so much;

To Mrs. Mary Jackson, who, in her last year at Flintridge, devoted much time and effort to the **Log;**

To Neal Yingling and Ed Kramer, each of whom acted as managing editor and was extremely valuable to me;

To Ray Fortner for watching the budget;

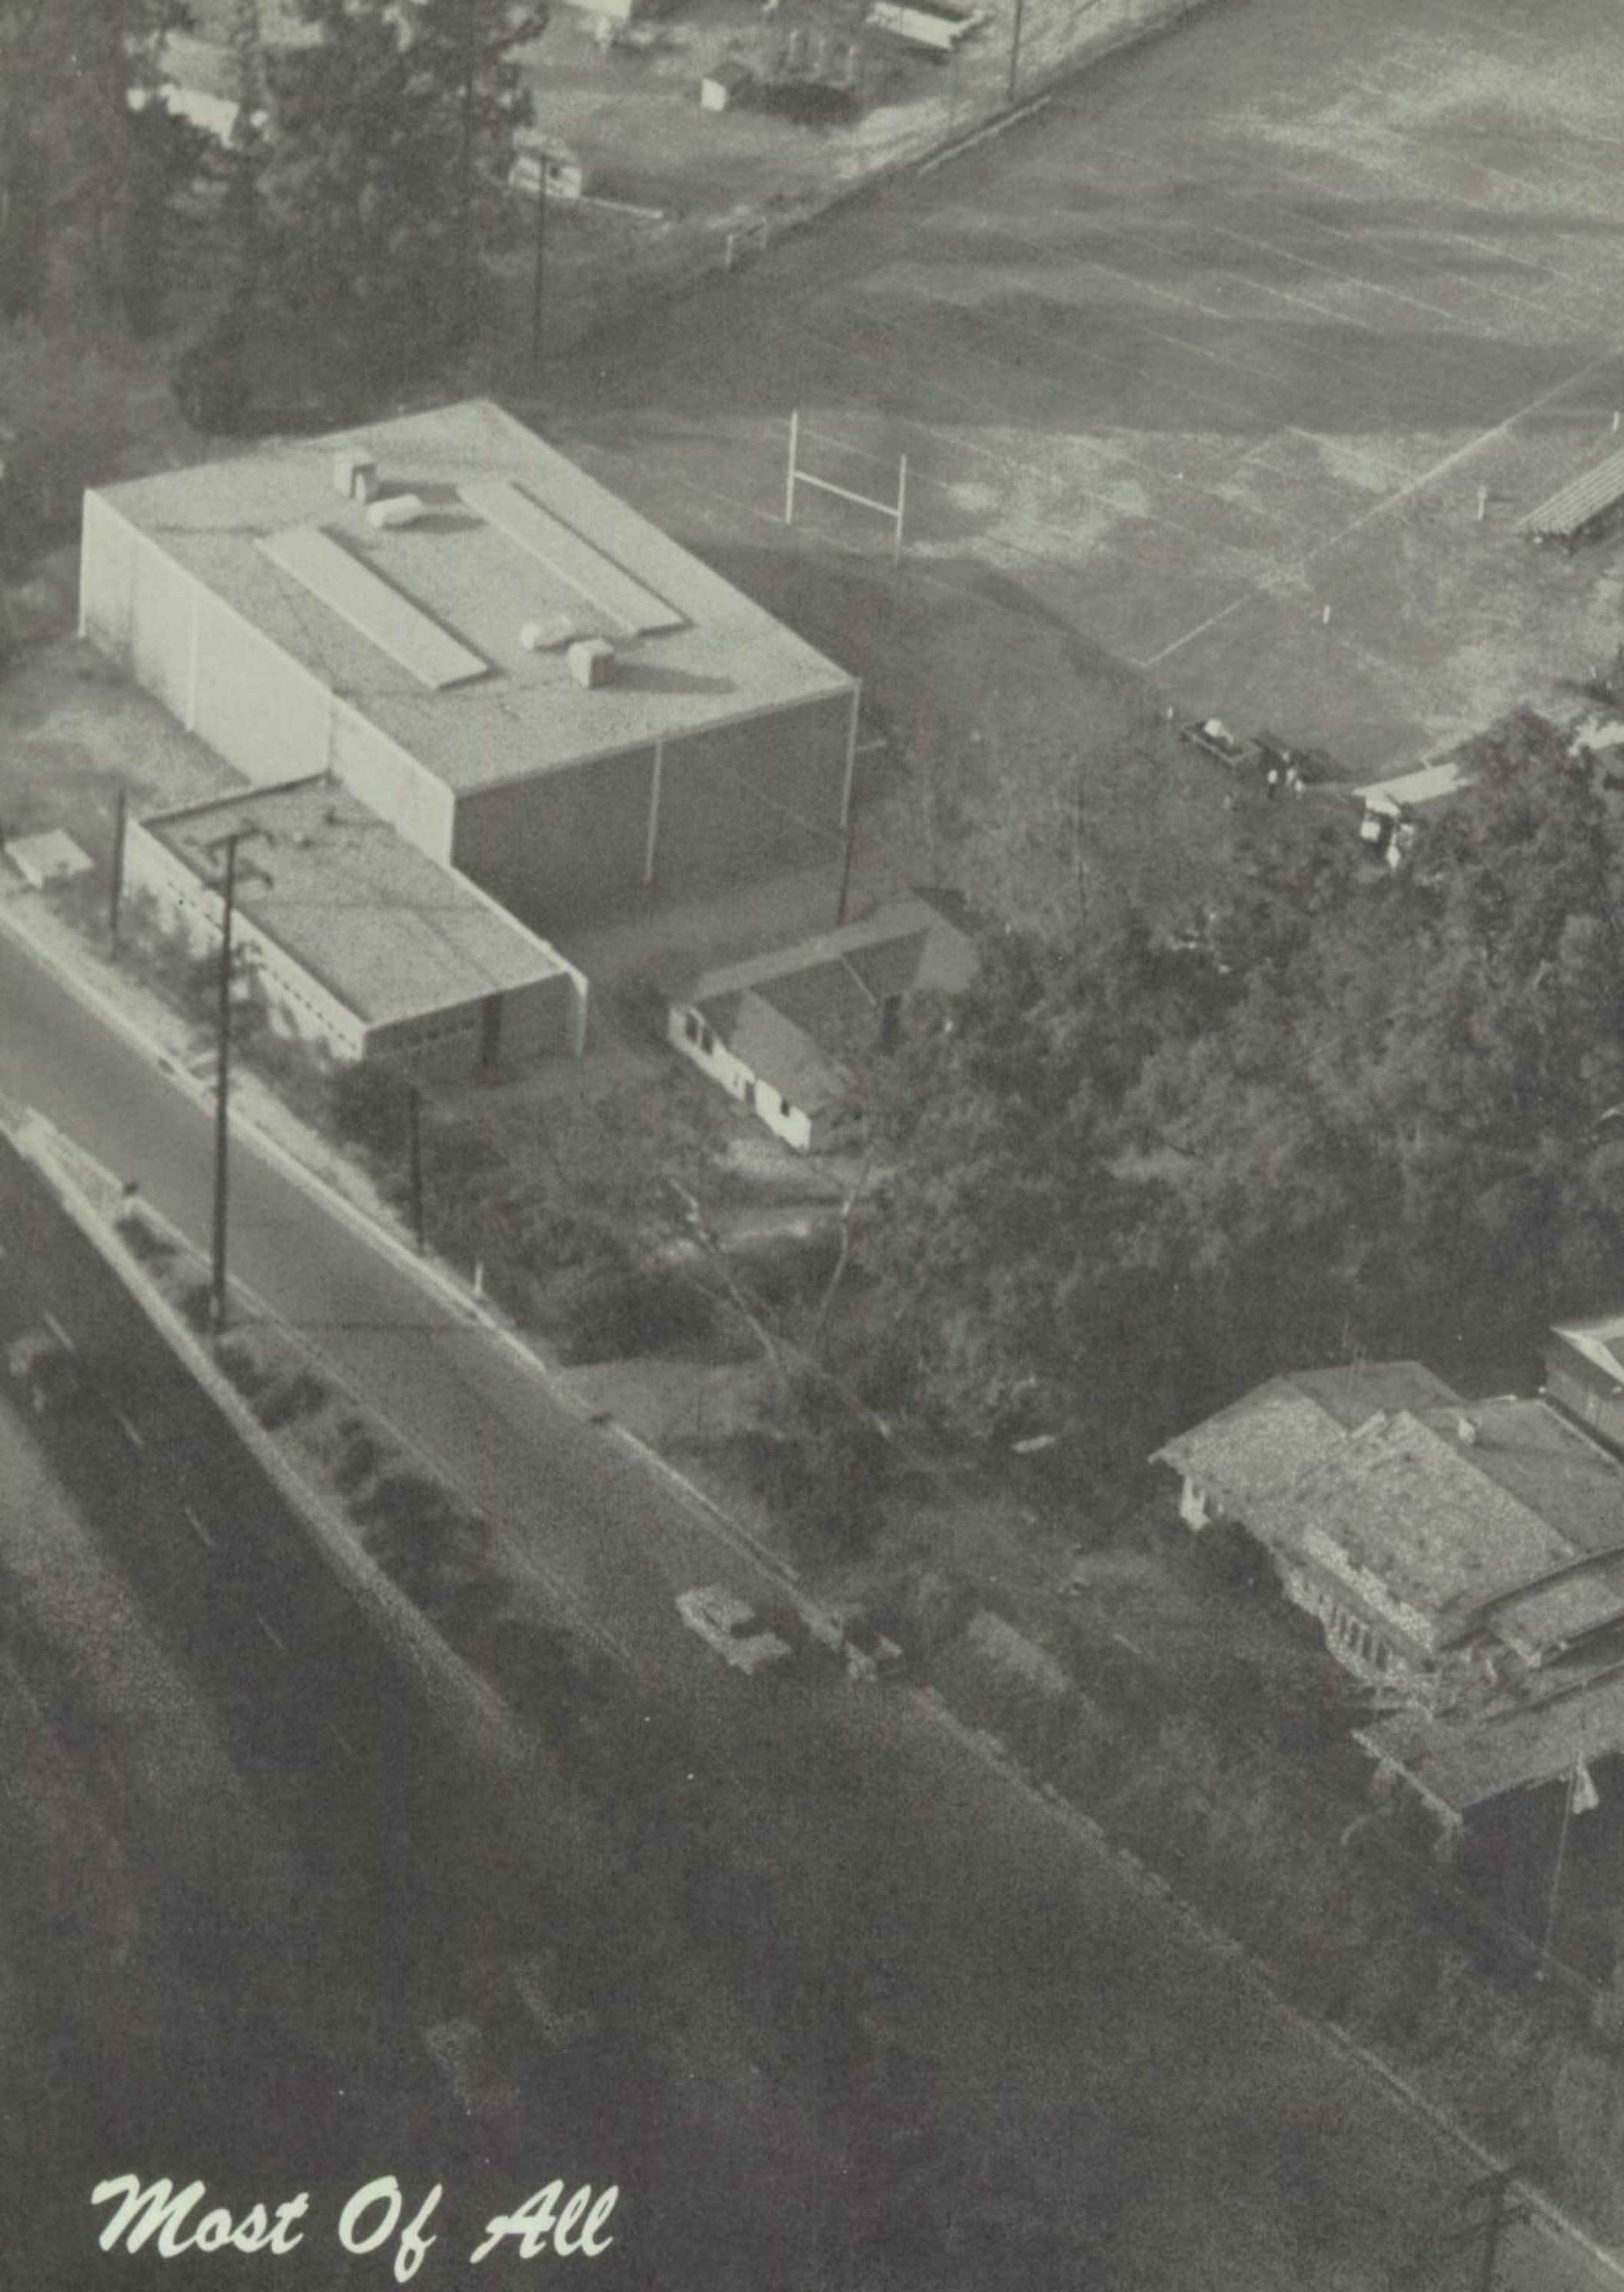
To Punch Lochridge, Copy Editor, for his tireless work on writing and idea hatching;

To Mike Smooke, Photography Editor, for his able management of the tricky business of yearbook pictures;

To Jim Whitehouse, Layout Editor, for his persistent and diligent work;

To Mike Joseph, Sports Editor, whose wit and writing ability have made the sports section and many of the captions throughout the **Log** what they are;

And to Mr. Hubbell, our Taylor Publishing Company representative, for his valuable ideas and advice.



Most Of All

I Am You
